*About The Celebrate Committee, Inc.*

We are an all volunteer organization that maintains and coordinates the “Celebrate De Pere” Memorial Day Weekend Festival. The festival is put on to showcase our city, honor our country’s veterans and to provide a vehicle for approximately 15-20 non-profit organizations to raise monies for their various causes.

*About the Application Process*

After each year’s event, the Board of Directors meets to review and determine what funds are available for distribution at which time applicants are then reviewed and considered. To be considered, an organization must be a certified 501c3 non-profit organization. If they are not, they must clearly state how the funds would be used for charitable purposes.
